Professional Summary

Driven and detail-oriented Computer Science undergraduate with a strong foundation in software engineering and full-stack development. Experienced in building scalable enterprise solutions using modern frameworks like React and Spring Boot. Recognized in the top 1% nationally for leadership and team effectiveness by NPTEL/IIT Roorkee. Highly adaptable and a continuous learner, demonstrated by multiple advanced certifications in Management Information Systems and Software Engineering. Adept at designing secure, role-based workflows and optimizing database operations to streamline business processes. Passionate about solving complex problems and eager to contribute technical and collaborative skills to innovative tech teams in a challenging internship or entry-level role.

Education

GLA University, Mathura, India

B.Tech in Computer Science and Engineering

Aug 2023 - May 2027

CGPA: 8.43/10

Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems, Computer Networks, Software Engineering

Skills

Languages: C, Python, Java

Databases & Tools: MySQL, Git, Render, Firebase

Core Concepts: Operating Systems (OS), Software Development Lifecycle

Soft Skills: Team Leadership, Cross-functional Communication, Project Management

Project Work

AccessFlow

[Live Link](#)

React, React Native, Spring Boot, MongoDB, Firebase

- Developed an enterprise-grade visitor and workforce management platform featuring real-time operational visibility and role-based access control for security teams, admins, and employees.
- Streamlined visitor approvals and security workflows through QR-based access via dedicated web and mobile applications.

Awards and Certificates

- **Leadership and Team Effectiveness (2026):** (Elite + Gold, Score: 90)
- **Management Information System (2025):** NPTEL (Elite + Gold, Score: 92)
- **Intro. to Environmental Engineering (2025):** NPTEL (Elite + Silver, Score: 84)
- **Software Engineering (2024):** NPTEL (Elite, Score: 73)
- **E-Business (2025):** NPTEL (Elite, Score: 70)
